

INSTRUCTION MANUAL

UNIVERSAL REMOTE CONTROL To suit Ventair New Generation Ceiling Fan range

Model: UCFR

SUGGESTED WIRING CONFIGURATION

Only change default dipswitch position if there are multiple fans. Default position is all switches down as pictured. The switch configuration of transmitter (hand piece) and receiver must be the same. Isolation switch must be in "OFF" position (no power to receiver) when changing the dipswitch configuration.

CAUTION

Read Instructions Carefully
For Safe Installation and

- WIRING INSTALLATION

**MUST BE
INSTALLED
BY A LICENSED
ELECTRICIAN**

INSTRUCTIONS

Technical specifications

| | |
|--|----------------|
| Operating voltage frequency: | 220-240V, 60Hz |
| Maximum operating wattage for ceiling fan: | 100W |
| Maximum operating wattage for light: | 100W |
| Battery: | 9V 6F22 x 1 |

A localised single pole switch (isolation switch) and an all pole disconnection switch should be included in the fixed wiring. (A safety switch in the switchboard can be considered as a double pole disconnection point.)

Operation

Standby Mode: After the electric power has been connected, a beep will be heard, and the fan is in standby mode.

On and Speed Buttons: After the electric power has been connected, press any speed button (HIGH, MED, LOW) to start the fan. A confirmation beep will be heard. To change the speed, please press different speed buttons.

Off Button: Press Off button to turn off fan. A beep will be heard.

Light Buttons: Press the buttons on remote to turn light ON and OFF as required.

Warranty

Our goods come with guarantees that cannot be excluded under the Australian consumer law. You are entitled to a replacement or refund for a major fault and compensation for any other reasonable foreseeable loss or damage.

You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major fault.

This product comes with a 12 month replacement warranty valid from the date of purchase. If you consider there is a manufacturer defect to the remote control, contact the warranty line on 1300 665 926 or log a claim at
