

## TSXCDP103

connecting cable - Modicon Premium - 1 m - for sub-base ABE7H16R20

### Main

|                                       |                        |
|---------------------------------------|------------------------|
| Range of product                      | Modicon Premium        |
| Accessory / separate part designation | Connecting cable       |
| Accessory / separate part type        | Connecting cable       |
| Accessory / separate part category    | Connection accessories |
| Accessory / separate part destination | Sub-base ABE7H16R20    |

### Complementary

|                       |                                                                                  |
|-----------------------|----------------------------------------------------------------------------------|
| Product compatibility | TSXCAY<br>TSXCCY1128<br>TSXCFY11<br>TSXCFY21<br>TSXCTY2A<br>TSXCTY2C<br>TSXCTY4A |
| Cable length          | 1 m                                                                              |
| Electrical connection | 1 connector HE10 20 ways module side<br>1 connector HE10 20 ways PLC side        |
| Wire section          | 0.324 mm <sup>2</sup>                                                            |
| AWG gauge             | AWG 22                                                                           |
| Product weight        | 0.15 kg                                                                          |

### Environment

### Offer Sustainability

|                                  |                                                                       |
|----------------------------------|-----------------------------------------------------------------------|
| Sustainable offer status         | Green Premium product                                                 |
| RoHS (date code: YYWW)           | Compliant - since 1001 - Schneider Electric declaration of conformity |
| REACH                            | Reference not containing SVHC above the threshold                     |
| Product environmental profile    | Available                                                             |
| Product end of life instructions | Need no specific recycling operations                                 |

The information provided in this documentation contains general descriptions and/or technical characteristics of the products of the Schneider Electric group. It is not intended as a substitute for and is not to be used for determining suitability or reliability of these products for specific user applications. It is the duty of any such user or integrator to perform the appropriate and complete risk analysis, evaluation and testing of the products with respect to the relevant specific application or use thereof. Neither Schneider Electric Industries SAS nor any of its affiliates or subsidiaries shall be responsible or liable for misuse of the information contained herein.
