Enclosure 316 S/Steel 1 Hole 22.5mm

- Engineered and manufactured in Australia, the N100 30.5mm range of heavy duty control elements are made to meet the harshest operating environments.
- Customisable and modular the N100 range includes pushbuttons, pilot lights, selector switches, estops and more, with a wide range of accessories to ensure a complete selection for your installation.
- Self-wiping contacts with a unique rolling action ensures every operation removes any dust or non-conductive film and prolongs the life of your components.
