

# MCB 2P 6kA D-16A 2M

## MDN216P

### Architecture

| Neutral position                                 | without neutral               |
|--|-------------------------------|
| Number of protected poles                        | 2                             |
| Number of poles                                  | 2 P                           |
| Type of pole                                     | 2 P                           |
| Fixing mode                                      | DIN rail type O (symmetrical) |
| Curve  | D                             |
| Functions  |                               |
| Concurrently switching N-neutral                 | no                            |
| Sealable   | yes                           |
| Compatibility                                    |                               |
| Compatible with DIN rail mounting                | yes                           |
| Controls and indicators                          |                               |
| With Contact position indicator                  | no                            |
| With fault indicator                             | no                            |
| Connectivity                                     |                               |
| Top connection alignement for modular devices    | Aligned terminal              |
| Bottom connection alignement for modular devices | Aligned terminal              |
| Main electrical features                         |                               |
| Rated operational voltage Ue                     | 415 V                         |
| Type of supply voltage                           | AC                            |
| Voltage  |                               |
| Rated insulation voltage                         | 500 V                         |
| Rated impulse withstand voltage                  | 6000 V                        |
| nated impulse withstand voltage                  |                               |

## **Electric current**

| Rated current  | 16 A           |
|--|----------------|
| min/maxi threshold value of the AC thermal operation                             | 1,13 / 1,45 ln |
| Rated short circuit breaking capacity Icn under 400V AC according IEC60898-1     | 6 kA           |
| Rated short circuit breaking capacity Icn under 415V<br>AC according IEC 60898-1 | 6 kA           |
| Rated service breaking capacity Ics under 240V AC according IEC 60898-1          | 6 kA           |
| Rated service breaking capacity lcs under 415V AC according IEC 60898-1          | 6 kA           |

#### Electric current / temperature

| Rating current -25°C | 20,49 A |
|----------------------|---------|
| Rating current -20°C | 20,12 A |
| Rating current -15°C | 19,75 A |
| Rating current -10°C | 19,37 A |
| Rating current -5°C  | 18,98 A |
| Rating current 0°C   | 18,58 A |
| Rating current 5°C   | 18,18 A |
| Rating current 10°C  | 17,76 A |
| Rating current 25°C  | 16,46 A |
| Rating current 30°C  | 16 A    |
| Rating current 35°C  | 15,53 A |
| Rating current 40°C  | 15,04 A |
| Rating current 45°C  | 14,54 A |
| Rating current 50°C  | 14,02 A |
| Rating current 55°C  | 13,48 A |
| Rating current 60°C  | 12,91 A |
| Rating current 65°C  | 12,32 A |
| Rating current 70°C  | 11,7 A  |
|                      |         |

#### Frequency

| Frequency | 50 to 60 Hz |
|-----------|-------------|
|-----------|-------------|

### Dimensions

| Depth of installed product  | 70 mm   |
|-----------------------------|---------|
| Height of installed product | 84,6 mm |
| Width of installed product  | 35 mm   |

### Installation, mounting

| Type of top connection for modular devices    | with screw |
|---|------------|
| Tightening torque                             | 2,8Nm      |
| Type of top rail clip for modular devices     | Plastic    |
| Type of bottom rail clip for modular devices  | plastic    |
| Type of Bottom Connection for modular devices | Blconnect  |
| Top removability for modular devices          | yes        |
| Bottom removability for modular devices       | yes        |
| Suitable for flush-mounting                   | yes        |
| 360° product mounting position                | yes        |

| Connection cross-section at output with screw, for flexible conductor        | 1 / 25 mm²                 |
|--|----------------------------|
| Connection cross-section at output with screw, for massive conductor         | 1 / 35 mm²                 |
| Connection cross-section for rigid conductor, upstream terminals with screws | 1 / 35 mm²                 |
| Connection cross-section of the access with screws, with flexible conductor  | 1 / 25 mm²                 |
| Downstream cage clamp delivery status  | opened                     |
| Upstream cage clamp delivery status  | opened                     |
| Equipment  |                            |
| Can be accessorized  | yes                        |
| With transparent product label holder  | yes                        |
| Standards  |                            |
| Standard text  | EN 60898-1, AS/NZS 60898-1 |
| European directive WEEE  | concerned                  |
| Product categories described in the W3E directive 2012/19/EU                 | Category 5                 |
| Safety   |                            |
