

ULTRABLADE PRO RECESSED EXIT

Recessed Architectural Blade Exit

The sophisticated look and design of the Ultrablade PRO will satisfy all architectural requirements for a premium recessed exit. With its low profile design, only 80mm of ceiling space is required during installation, combine this with a reduced reflection and halo effect on the diffuser and a decal that is scratch and fingerprint resistant it is no wonder the Ultrablade PRO is the industry standard for an architectural blade exit.

Applications

Features and Benefits

- AS/NZS 2293.3 compliant
- Low 1.4W to 1.8W standby power consumption
- Recessed mount
- All directional decals in one box
- Lithium Iron Phosphate or Nanophosphate® battery
- Clevertest Plus System compatible
- Theatre version available
