

PV-ezRack Isolator Shade

- Assembly

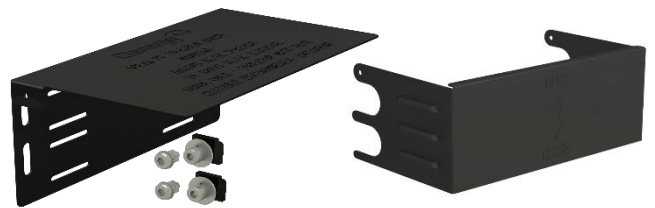

- Components

Isolator Shade, non-assembly (Mill Finish)

Part Number: IS-SR265/111

Isolator Shade, non-assembly (Black Anodized)

Part Number: IS-SR265/111/B

Technical Specification

Application	for AC/DC PV Array Isolators
Fixing method	Fixing on the Rail with Z-Modules and Hexagonal Bolts
Requirements	An extra 265 mm long rail for fixing along the rail; allow space above the Rail for Isolator Shade opening.
Dimensions	L280mm*W158mm*H114mm
Packaging	IS-SR265/111, 10 units per carton IS-SR265/111/B, 8 units per carton
Material	Main Structure: AL1000 series-H24 Fasteners: SUS 304
Weight	610 g
Earthing	Yes – ground through rail
Color	Silver (mill finish) or Black (anodized)
Standard	AS/NZS5033:2014
