

## Premiere 10A horz twin GPO + mech

### Main electrical features

|                 |       |
|-----------------|-------|
| Nominal voltage | 250 V |
| Frequency       | 50 Hz |

### Electric current

|               |      |
|---------------|------|
| Rated current | 10 A |
|---------------|------|

### Materials

|                    |                                   |
|--------------------|-----------------------------------|
| Colour             | black                             |
| Colour             | black                             |
| Material           | Polycarbonate (PC), UV-stabilised |
| Surface appearance | glossy                            |

### Dimensions

|                 |        |
|-----------------|--------|
| Insertion depth | 16 mm  |
| Height          | 77 mm  |
| Width           | 117 mm |

### Installation, mounting

|                   |                     |
|-------------------|---------------------|
| Mounting type     | flush-mounted       |
| Installation mode | for screw fastening |

### Connection

- with screw terminals

### Equipment

|                                     |   |
|-------------------------------------|---|
| Number of socket outlets switchable | 2 |
|-------------------------------------|---|

### Safety

|                     |      |
|---------------------|------|
| Protection index IP | IP20 |
|---------------------|------|

### Identification

|                  |          |
|------------------|----------|
| Main design line | premiere |
