LIFESAVER 5800ACF FLUSH SMOKE ALARM

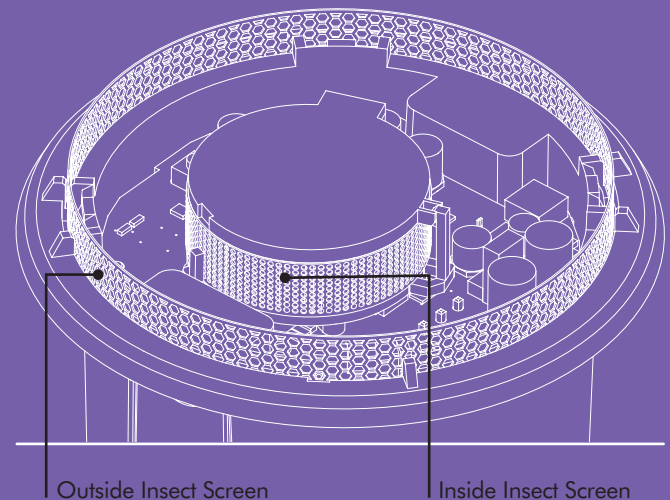

LIFESAVER
silhouette

The PSA Lifesaver 5800ACF is a low profile AC/DC powered photoelectric smoke alarm that operates on a 240V power source with a non-removeable 10 year lithium battery backup. This advanced smoke alarm has the ability to function as a stand alone unit or in an interconnected system. The PSA Lifesaver 5800ACF is compatible with other PSA Lifesaver smoke alarms, heat alarm, carbon monoxide alarm and ancillary devices.

PRODUCT FEATURES

- Low profile flush mount design
- Photoelectric Sensing Technology.
- 240VAC with sealed 10 year lithium battery backup, no longer need to change battery.
- One button Test and Hush feature.
 - Large easy design button to Test alarm operation and Hush to silence nuisance alarms.
- Two LEDs.
 - Green LED indicates AC condition.
 - Red LED indicates alarm condition.
- First to alarm memory.
- Operates as single unit or interconnect up to 24 units.
- Dual insect screens over the outer perimeter and inner sensor chamber to reduce nuisance alarms from bugs and insect contamination.
- 90mm cut-out, down-light style mounting for quick and easy installation.
- Dimension 110 x 73mm (W x H). 28.5mm high installed
- Includes mounting trim ring to replace surface mounted smoke alarms.

Tested & complies to
Australian Standards
AS3786:2014

*Refer to Installation and User Manual for further information. Due to PSA commitment to continual product improvement, specification may change without notice.
