### 316 Stainless Steel Cable Ties (Epoxy Coated)

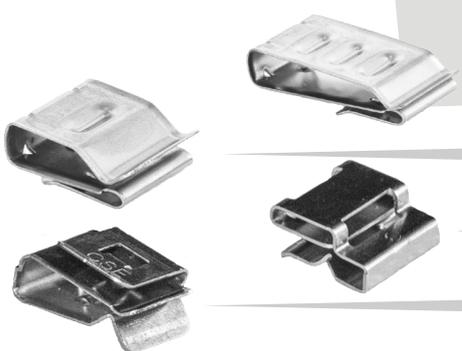

Ratchet Type Stainless Steel Cable ties have two distinctive advantages over traditional ball lock stainless steel ties, Special tools are not required to get them tight and they cannot come loss like ball lock do. These Ties have an Epoxy coating to protect the cables from the genuine 316 Stainless Steel inner core.

	Size	Part Number
	7mm (W) x 350mm (L)	CSE-LRG-SSTIE350-7

### Stainless Steel Solar Cable Clip (DC Cables)

Heavy Duty Solar Cable clips made from Spring Grade Stainless Steel, great for keeping PV flying leads out of the way. They have a strong spring action that insures the cables won't pop out. Cable Tie clips for larger bundles of solar and non-solar cables or variable applications.

	Type	Part Number
	Suit 4 x 4 - 6mm <sup>2</sup> Cable	CSE-CAB-CLIP-4-DC
	Suit 2 x 4 - 6mm <sup>2</sup> Cable	CSE-CAB-CLIP-2-DC
	Suit Bundle in a 7mm cable tie	CSE-TIE-CLIP-7
	Suit 2 x 4 - 6mm <sup>2</sup> Cable	CSE-CAB-CLIP-2-DC-90D
