

# Ramped Floor Duct System – Low Profile

## At a glance...

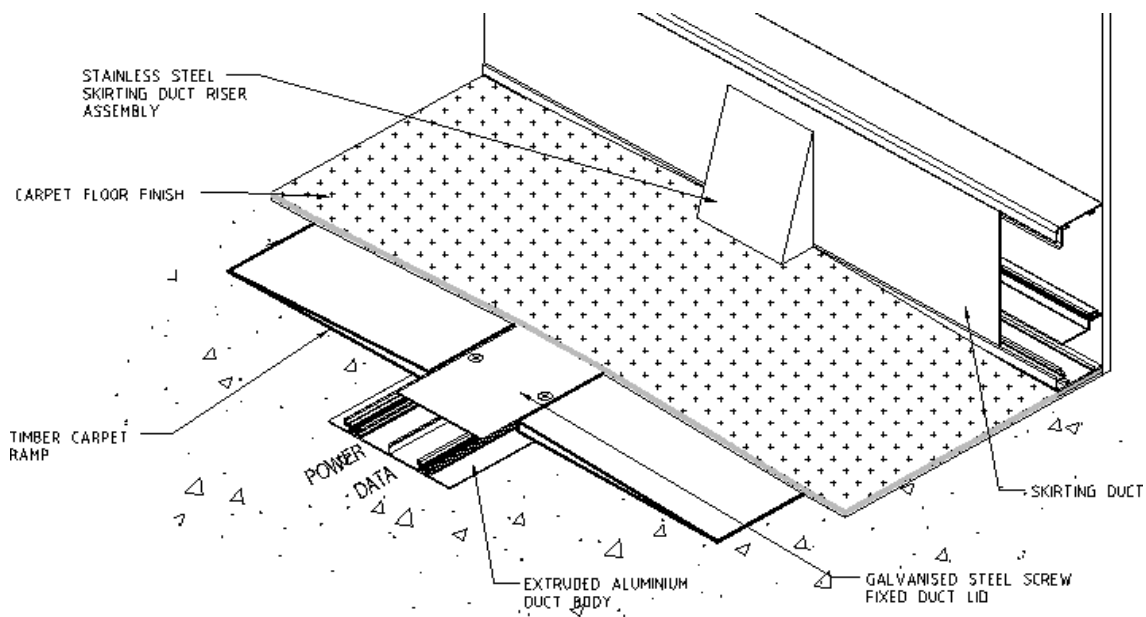

- Size: 100 x12mm, 3m Lengths
- Outlets: Above Floor Boxes (AFB20, AFB20/2, AFB70) & Umbilical Adaptor Box
- Body: Aluminium
- Cover: Galvanised Steel

## ECD 'Easy Track'

- Fully accessible floor duct system suitable for commercial, educational and retail applications where chasing of trenches in the concrete floor is not possible.
- Flush galvanised steel lid screwed to duct body suitable for carpet overlay.
- Carpet packing ramps on each side of the duct body enables the carpet to finish flush with the duct cover, eliminating the need to chase concrete floors.
- Economical and clean alternative to chasing and jackhammering.
- Surface mounted floor boxes of varying configurations available to order.
- For adjacent runs of duct, fins can be removed upon request.
- This product has been examined in accordance with AS 3000 and A.C.M.A. requirements.
