

Ramped Floor Duct System – Low Profile ECD ‘Easy Track’

At a glance...

- Lid/Frame Size: 133x18mm
- Outlets: Floor Box Mounted
- Stock Colours: Natural Anodised
- Cover: “Clip-on Aluminium”

“Easy as ECD”

- Fully accessible floor duct system suitable for commercial, educational and retail applications where chasing of trenches in the concrete floor is not possible.
- Features an extruded aluminium clip on cover with carpet insert.
- Carpet packing ramps on each side of the duct body enables the carpet to finish flush with the clip on cover, eliminating the need to chase concrete floors.
- Economical and clean alternative to chasing and jackhammering.
- Surface mounted floor boxes of varying configurations available to order.
- Standard finish is natural anodised with over 50 powder coat colours available.
- This product has been examined in accordance with AS 3000 and A.C.M.A. requirements.
