4X4 = 4 x Sockets & 4 x USB's

Trader's newest and most exciting innovative product - 4X4 [4 Sockets & 4 USB's] - has arrived and ready for use by Australian Electrical Contractors.

- Four sockets and four USB ports
- Wide spacing between sockets for wide plug bases
- 84mm mounting centres
- Mounting Block [CH4X4MB] suits both Puma and Cheetah 4X4 Products
- Cheetah dolly indicator colour green / Puma dolly indicator colour orange
- The rating for the USB is 2 x 3.1A at 5V when one device is inserted then it divides to split the output when a device is inserted in each USB socket - 3.1A available across 2 USB outlets on the left and 3.1A available across 2 USB outlets on the right
- Fits standard wall boxes and mounting accessories
- Covers, plates and dollies are made from UV stabilised polycarbonate to avoid discolouring to yellow
- Standard colour is white. Black also stocked - please check availability

CH4X4MB Mounting Block (with backing plate)

- 31mm high mounting block to suit CH4X4 [34mm with backing plate]
- Made from UV stabilised polycarbonate to avoid discolouring to yellow
- Mounting block includes backing plate for situations where fully enclosed insulation is required
