About this product

The Iconic Connected Socket Twin 10 A operates as a standard socket outlet "out-of-the-box", with no configuration needed. The socket is available with both Bluetooth and Zigbee connectivity.

- Socket with BLE default mode (3025CSG, PDL395CSG)

  The socket can be paired to a mobile phone and the Wiser by SE app. In this case, the socket can be operted remotely and optionally configured with a delay timer and a scheduler function.

- Socket with Zigbee default mode (3025CSGZ, PDL395CSGZ)

  The socket can optionally be used as one device in a Wiser Hub network. To do this, the module must be paired to the Wiser Hub via the Wiser by SE app.
