

Log Periodic Digital TV Antenna VHF (6-12) 5 Elements O3MM-SA200

For the Best

The SA200 is a five-element VHF Log Periodic/Yagi Hybrid antenna suitable for all medium to high signal VHF (Block A) broadcast zones in Australia. Featuring a built-in 652MHz low pass 4G/5G LTE filter to help eliminate the increasingly present mobile cellular signals from disrupting your viewing experience. The SA200 can be mounted both in horizontal or vertical polarities. Australian made and fully assembled with ready to install snap out elements.

Features and Benefits
