## **CEILING FAN INNOVATION**

- True-spin Technology™ a new development in motor engineering for enhanced efficiency and performance
- Suitable for all indoor and protected outdoor areas
- Individually balance tested and quality checked for trouble free operation
- Eco Mode: a slower speed setting that is also suitable for gentle heat circulation in winter
- Precision moulded glass fibre composite blades for increased stability and higher airflow
- Stanza is backed by a four year motor warranty.

True-spin Technology™ is the latest development in ceiling fan motor engineering.
