## Product Description

MILWAUKEE  Combination Wire Pliers deliver on productivity for the trades offering 6 functions in 1 product. They feature a forged dual head design for stripping wire as well as needle nose functionality. A unique reaming design is integrated into the pliers head and a curved blade design allows for clean cuts through larger wire sizes. These pliers have the capability to cut #6 and #8 bolts and have a built in loop maker. They also feature a swing-lock design for fast one-handed operation and will not open when stored in a pouch or backpack and rust protection.
