MILWAUKEE 4932339626

SDS PLUS FLAT CHISEL 250 X 20MM

Our Number:	MWK4932339626	Supplier Number:	4932339626
EAN Number:	4002395304820		

Product Description

General purpose flat edge chisel. Ideal for a wide range of breaking and cutting applications, as well as general demolition., Convex angle designed tip for better penetration less binding and easier resharpening., A strong and shock absorbing body made from premium quality alloy steel., The reception is machined to precised tolerances ensuring less wear on the chisel and power tool., Chamfered ends to prevent cracking and fractures., The striking end is machined flat so that 100% of the blow energy is transferred to the tip.
