

**NHP ISO Appliance Inlet, 3 Round Pins 20A 250V AC, without Base, Resistant Orange**

## ELECTRICAL

|                                |         |
|--------------------------------|---------|
| Nominal voltage                | 250.0 V |
| Rated current                  | 20.0 A  |
| Number of phases               | 1       |
| With neutral conductor contact | Yes     |

|                               |         |
|-------------------------------|---------|
| Material                      | Plastic |
| Resistant to chemicals        | Yes     |
| Colour                        | Orange  |
| Modular version               | Yes     |
| With base                     | No      |
| Type of cover                 | Screwed |
| Number of active pins (round) | 3       |
| Degree of protection (IP)     | IP66    |

|                                                 |                         |
|-------------------------------------------------|-------------------------|
| Base depth                                      | 38.0 mm                 |
| Conductor cross section solid (solid, stranded) | 2.5 - 6 mm <sup>2</sup> |
