MILWAUKEE M18FMT-0

M18 FUEL™ MULTI TOOL- TOOL ONLY

Our Number:	MWKM18FMT-0	Supplier Number:	M18FMT-0
EAN Number:	4892210193926		

Product Description

The MILWAUKEE M18 FUEL Multi-Tool generates fast cuts, the power for demolition, and low full tool vibration. The POWERSTATE Brushless Motor delivers 10,000 to 20,000 OPM, with an aggressive 4.2° oscillation angle to deliver fast cuts. The Multi-Tool also gives users the power to complete many demanding applications with ease, such as large cuts through hardwoods and nail embedded wood, removing grout, or tackling other jobs. Vibration dampening technology delivers low full tool vibration, letting the user make cuts more comfortably, and with less fatigue. REDLINK PLUS Intelligence ensures optimal levels of performance, protection, and compatibility between the tool and battery. To allow users to adjust speed to suit the application, the M18 FUEL Multi-Tool features a 10-setting Variable Speed Dial, with an additional Auto-Load feature. Auto-Load sees the tool start slowly when making precise cuts, before automatically ramping up to the highest speed once under load. Tool-free blade change makes accessory changes quick and means no misplaced tools and less downtime on the jobsite. An integrated 180° LED light provides users maximum visibility in low-light situations.

Technical Specifications

Attribute Name	Attribute Value
Weight without battery-pack	1.2
Length	310 mm
Nominal voltage	18 V
With battery charger	No

Classifications	
ETIM	EC001377
UNSPSC
