### Description

Recessed 10W fixed downlight featuring colour selectable SMD technology. Colour temperature can be selected via a switch at the rear of the luminaire and enables users to choose between 3000K, 4000K and 5700K colour temperatures options. Manufactured from cast aluminium with a powdercoated finish, an opal polycarbonate diffuser and a pressure cast aluminium heatsink. Supplied with remote flicker free Trailing Edge dimmable driver.
