Surface Mount LED conventional type EXIT fitting

The ESD24M-BOX is a ceiling/wall mount LED EXIT with 24m viewing distance.

Optional pictograms

QUICK FACTS

- 1W High efficient LED lamp with long lifetime and low power consumption
- Conventional box type design
- Easy surface mount installation
- Easy accessible manual test button
- Self charging Lithium Iron Phosphate battery
- Replaceable decals supplied (Go straight, go right, go left)
- AS/NZS 60598
- AS/NZS 2293.3
- 24m viewing distance
- 3 year warranty

SPECIFICATIONS

Supply Voltage	220-240V, 50/60Hz
Power consumption	1W
Max. power when charging	3W
Viewing distance	24M
Operating Ambient Temp.	0 to 45°C
Wiring	Screw terminals
Lamp	LED
Battery Type	LiFePO4 3.2V 600mAh
Discharge Time	2 hours
Recharge Time	16 hours
Finish color	White
IP	IP20
Electrical Classification	Class II
Emergency Classification	C0: D2.5 C90: D2.0
Dimensions	357x60x210mm
Body Material	ABS
LED type	SMD
Output Current	240mA
Indicator light color	Green
Charger Operation	Continuous
Installation	Ceiling or wall mount
Type	Maintained
