CONCEPT Panelboard Door Semi Flush Swing Handle, IP66, Keyed PWD (E-LOCK)

- Handle to suit E-key (E-key not included)

Representative Photo Only
(actual product may vary based on configuration selections)

SPECIFICATIONS

Component Type	Power Distribution & Protection	Doors
Box Size		2
L99 Application		Enclosure door handle, zinc die cast/chrome plated, IP66 rated, with E-Key
Parts Required		Door handle with cylinder and cam roller
Installation Notes		Before attaching the cam roller, hook the clip at the bottom of the handle over the bottom edge of the lower of the two rectangular cut-outs in the door. Pivot the handle so the top clips engage with the upper cut-out, locking the handle into position
