Power Distribution and Protection > Distribution Boards > Panelboards > General Panelboard Hardware / Accessories > Door Accessories > Handles - COE, CPL & CPR

CONCEPT Panelboard Door Semi Flush Swing Handle, IP66, No Lock Cylinder

Representative Photo Only
(actual product may vary based on configuration selections)

SPECIFICATIONS

Component Type Power Distribution & Protection

Doors

L99 Application

Enclosure door handle, IP66 rated; combine with choice of optional locking cylinders; Used in kits CELHDSZNKIT, CELHDSZQ7KIT

Installation Notes

Before attaching the cam roller, hook the clip at the bottom of the handle over the bottom edge of the lower of the two rectangular cut-outs in the door. Pivot the handle so the top clips engage with the upper cut-out, locking the handle into position
