

## UNITREK STR3/9017/30TC/DP - 21/30W

30 watt architectural, three circuit track spot, with selectable power and CCT

### Application

Ideal for decorative interior and retail designs

### Design Specifications

- Architectural cylindrical shape, 350° horizontal rotation
- Durable Polyamide body profile, colour white or black
- High efficiency LED optics, CRI > 80, selectable CCT 3000/4000/5700K
- Multi-faceted reflector system, standard beam distribution 40°
- Optional black or white baffle available

### Performance

- Dimmable - **NO**

### Technical Specification

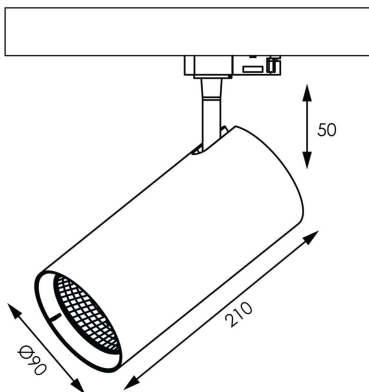

| Product                                                                             | Model No.            | Input Voltage (V/AC) | Multiple Wattage | Lumens (lm)    | CCT (K)        | Body Colour |
|-------------------------------------------------------------------------------------|----------------------|----------------------|------------------|----------------|----------------|-------------|
|  | STR3/9017/30TC/DP/WH | 240                  | 21/30            | 2100/2400/2200 | 3000/4000/5700 | WHITE       |
|  | STR3/9017/30TC/DP/BK | 240                  | 21/30            | 2100/2400/2200 | 3000/4000/5700 | BLACK       |

| CRI | Beam Angle (°) | Dim (mm)       |
|-----|----------------|----------------|
| 80  | 40             | 90(W) x 210(H) |
| 80  | 40             | 90(W) x 210(H) |

NOTE: Lumens (lm) are shown at maximum power setting
