

## PRODUCT DATA AND APPLICATION SHEET

**PRODUCT NAME**      **LB5 Back Wired Neutral Link**

**PRODUCT CODE**      LB5

**DESCRIPTION**      Back Wired Neutral Link 5 Hole 110Amp with Cover

**BOX QUANTITY**      10                      **OUTER QUANTITY**      100

### FEATURES

- 5 Hole Neutral Link with two screws per tunnel;
- 5 tunnels, 7mm diameter accommodate 5 x 25 sq mm cable;
- Dimensions: 68 x 47 x 43 mm (Cover cut 9mm)

### APPLICATIONS

Neutral link 5 hole for service cable switchboards have an outer casing made of a tinted transparent poly-carbonate. The transparent cover enables you to check wiring and locate the sealing screw at a glance. Neutral link 5 pole utilizes a brass bare to link the main to the rest of the circuit. Neutral link 5 pole are ideal for both commercial and industrial use in switchboards as it can take cables of up to 25mm bare copper wire in size. The sealing screw with brass insert, resists stripping.
