NO HUB REQUIRED

Works with
IFTTT

Secure your home with the smart floodlight combined with a powerful motion sensor and camera. The security light comes on when the sensor detects movement.

- Direction Adjustable PIR Sensor and 2 megapixel FHD 1080P Camera.
- Advanced PIR motion detection identifies slight changes in movement and sends a notification to your phone/tablet.
- See in the dark with night vision with built-in IR LED.
- Manually record live video direct to your phone via the BrilliantSmart app. Recorded SD card footage is encrypted and can only be viewed through the BrilliantSmart app.
- Built in memory card slot supports up to 128GB SD card. Older footage is overwritten. Recording is motion activated when SD card is installed (card not included).
- Adjustable sensor functions on time, motion and light sensitivity.
- IP44 weather resistant rating.
- Made from durable UV stabilised ABS and polycarbonate offering that is ideal for coastal environments.
- App features - Live Screenshot, Buzzer, Album, Notification, SD card playback, Record live to BrilliantSmart App.
- Compatible with BrilliantSmart devices via automation & IFTTT.

APPLICATIONS

- Security floodlight with built in Smart camera for every home.
- Light up driveways and paths.
- Monitor access points of your property to deter intruders.

ALLY SECURITY LIGHT & SMART WiFi CAMERA
