

Tastic Ovation 3-in-1 offers the ultimate in venting, heating and lighting to suit all medium size bathrooms.

With a powerful centrifugal exhaust fan design, Tastic Ovation provides a strong airflow extraction up to 396m³/hr to eliminate steam instantly. Finished in a contemporary white fascia design with modern frosted 4000K cool white LED and 800W heat lamp with Halo Heat™ Technology, Ovation brings luxurious warmth and instant brightness to your bathroom.

Tastic Ovation is designed with a side ducted fan with inclined outlet for optimised ducting and easy installation. Each unit also includes a self-sealing back draught stopper that prevents draughts and insects entering the unit while not in use, sealing warmth within your bathroom and protecting from unwanted airflow.
