

Product Data and Application Sheet

Product Name: Din Mount GPO 10Amp & 15Amp

Product Code: DINGPO10, DINGPO15

Description: DIN GPO 10 and 15 Amp auto switched

Quantity: 5 per box 50 per carton

Features:

- DIN profile, sits beside miniature circuit breakers and similar devices
- Mounts on 35mm DIN rail
- Safety Shutters for additional protection
- 5x6mm cage terminal good for 10mm² cable
- Coloured terminals for easy identification when wiring
- Double Pole Auto Switched function
- Complies with AS/NZS 3112-2017

Applications:

- RCBO test point in distribution boards
- Temporary site power boards

TECHNICAL SPECIFICATION

Part No	DINGPO10/DINGPO15
Rated Current	10,15
Nominal Voltage (V)	230
Max Voltage (V)	250
Cable and terminal size	10mm ² /5x6mm
Terminal Colour & Pin Type	Earth – Green/Flat Live – Red/Flat
