

Product Characteristics

MILWAUKEE M12BCST0

CABLE STAPLER SKIN M12

Our Number:	MWKM12BCST0	Supplier Number:	M12BCST0
EAN Number:			

Product Description

The Milwaukee M12 Cable Stapler delivers unmatched stapling performance in the most compact battery-powered solution leading to a faster, more efficient rough-in process. Our compact, lightweight design provides users with access to tight stud bays and improved ergonomics when stapling overhead or during difficult-to-reach situations. Moveable cable guides ensure proper alignment and the coil-spring mechanism consistently sinks the staples to the appropriate depth when fastening NM-B Sheathed Cable (14, 12, 10 AWG) and low voltage cables, supporting peak stapling productivity. Only compatible with our 25mm (1") insulated staples (sold separately), the M12 Cable Stapler gives the user the run-time needed to sink up to 1,200 staples on a fully charged M12 REDLITHIUM-ION 2.0Ah battery.

Technical Specifications

Attribute Name	Attribute Value
Height	294 mm
Length	165 mm
Nominal voltage	12 V
Width	67 mm
Weight without battery-pack	2

Classifications	
ETIM	EC001400
UNSPSC
