Product Datasheet: BEL601

BELDEN
SENDING ALL THE RIGHT SIGNALS
Overview

Product Brand	Belden DataConnect
Product Group	CAT 6 UTP Cable
Product Color	Blue

Application

Belden DataConnect system is designed to provide standards-compliant cabling solutions for typical Ethernet data applications, include Retail shops, shopping malls & outlets, restaurants, bars/pubs, residential buildings etc., which is suitable for permanent & channel link installation

Construction Specifications

Conductor Material	Bare Copper
Conductor Strands	Solid
Conductor Gauge	24 AWG
Insulation Material	Polyethylene
Number of Pairs	4
Cabling Filler	Central Spline
Overall Diameter (Nom.)	5.7 mm
Put-up Length	305M
Bulk Weight	39KG/KM

Physical Features

Operating Voltage	72V DC (max.)
Temperature for Operating	- 20℃ to + 60℃
Flame Rating	IEC 60332-1, UL CMX, CSA C22.2, GB/T 18380.12, AS/NZS1660.5.6
Reference Standards	IEC 11801 Class E, TIA/EIA 568.2-D Category 6
Approval	UL Listed

Environmental

RoHS	Jan, 2013
