KEY FUNCTIONS

14 PLACE SETTING

- + With 14-place settings the EED614KX provides results with greater flexibility allowing you to select the correct setting for your dish-washing requirements.

SIMPLE ELECTRONIC PROGRAM CONTROLLER

- + The EED614KX dishwasher operates via an electronic push button control. You can select your preferred program by using the rotary knob on the top left of the front panel.

5 WASH PROGRAMS

- + The EED614KX dishwasher provides you with the choice of 5 different wash programs to ensure you can select the type of wash which best suits whether it be those few dirty dishes or after that large dinner party.

INSTALLATION

Installation is recommended by a qualified installer, please refer to the product manual for full installation instructions.

FILTER CLEANING INFORMATION

Drain pump filter: requires cleaning monthly. This will ensure no interruptions with the dishwasher operation.
