MARTEC[®]
Cooling

Enhance your living experience with Martec®

After more than five decades Martec® has become one of Australia's leading providers of cooling, lighting, heating and exhaust products. Our focus has always been on providing our customers with the highest quality, best in class and competitively priced products and solutions to suit every lifestyle.

Our relentless dedication to continuing development, puts Martec® at the forefront of innovation and design. As a result, **Martec® Avoca – our newly released smart DC Ceiling Fan** is here to provide convenience and comfort at your home. And with a new trending colour added to the **Metro** and **Newport** range. We have a solution to meet your needs and enhance your living experience.

The Martec® Promise

A strong commitment to the principles of quality, service and attention to detail ensures we transform these values into unique and dynamic outcomes that are second to none. In order to attain and maintain these objectives, Martec® has implemented a quality management process and system which meets the requirements of AS/NZS ISO 9001. In summary, Martec® is committed to providing an unrivalled product and service offer to its many valued customers.

DC CEILING FANS

ADVANTAGES OF DC MOTOR CEILING FANS

High Efficiency

DC motors on average consume less energy than conventional ceiling fan motors.

Speed Control

DC motor controllers provide up to 5 speed settings and an easy to use reversing function for summer and winter operation.

Light Weight

DC motors weigh less than conventional fan motors, resulting in a lighter product that is easier to install for electricians.

Quiet Operation

DC motors are very quiet when in operation, ideal for bedrooms.

Remote Control / Wall Controller

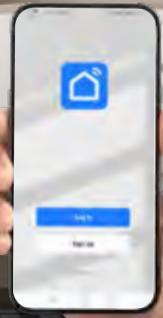

DC Ceiling fans can be operated via a DC remote control (supplied) or wall controller.

“
Hey Google,
turn the fan on...
”

Operate via Smart Life App
Compatible with
Google Home & Alexa

AC CEILING FANS

ADVANTAGES OF AC MOTOR CEILING FANS

Remote Control

AC motor ceiling fans provide more options for controllers. Choices from remote controls to a simple switch.

Low Cost

AC ceiling fans use less electricity than most household appliances especially air conditioner as a standard AC powered ceiling fan will use less than 100W on the highest speed with the majority of models using much less.

More Choices

AC motor ceiling fans have been on the market for a while now. There are plenty of different options and styles for you to choose from that will be within your budget.

CEILING FANS ACCESSORIES

ADVANTAGES OF CEILING FANS ACCESSORIES

Remote Control

Remote controls allow you to change the fan speed with a touch of a button.

Light Kit

Ceiling fan lights give you brightness while providing a relaxing cool breeze.

Downrod

Downrods provide convenience and better efficiency where the installation area has a high ceiling.

REMOTE CONTROL KITS

PREMIER REMOTE CONTROL KIT

FEATURES

- 1 year in-home warranty
- Suitable for all AC ceiling fans
- 3 speed: high, medium and low
- Light on/off function
- 2, 4 and 8 hour timer
- 4 dip switches make 16 possible control channels
- Radio frequency with range up to 10m
- Supplied with 2x AAA batteries

ORDERING CODE

MPREMS

PREMIUM LCD REMOTE CONTROL KIT

FEATURES

- 1 year in-home warranty
- Suitable for all AC ceiling fans
- 3 speed: high, medium and low
