Dimensions:	19.97x14x10.42mm	19.97x19.6x10.42mm	19.97x30.8x10.42mm
Weight:	0.002kg	0.003kg	0.0046kg
Warranty:	3 Years		

INSTALLATION GUIDE

1. Strip the wire back by 11mm.
2. Lift up the lever of the LOX connector to open the port.
3. insert the wire ensuring that it is pushed all the way in.
4. After the wire is inserted, push the lever back down. Repeat steps 1 to 3 for additional connections. To remove the wire push the lever up and pull the wire back out.

PLEASE NOTE: ENSURE THAT THE CABLE IS PUSHED ALL THE WAY INTO THE CONNECTOR FOR A PROPER AND SECURE CONNECTION
