

## PRODUCT DATA AND DATA SHEET

**Product Name:** Firebreak Flex Duct Nude Core 6Mx150mm

**Product Code:** 160075

**Description:** Fire-rated flexible duct featuring a metallized inner core and a 6-metre length, commonly used for air conditioning and ventilation systems.

### Features:

- **Dimensions:** 150mm (6") diameter x 6-metre length.
- **Fire Rating:** Complies with AS 4254 standards.
- **Material:** Metallized Mylar/clear Mylar substrate with helically wound wire.
- **Design:** "Nude Core" (uninsulated core) ideal for exhaust or specific air handling applications.
- **Performance:** Operating temperature -20°C to +80°C, operating pressure -190pa to +1200pa.
- **Application:** Suitable for domestic/commercial HVAC, exhaust systems, and evaporative cooling.
