

# TRUCK, BUS & HEAVY EQUIPMENT

Century Truck, Bus and Heavy Equipment batteries represent the latest in performance and reliability for haulage and light commercial vehicles. Designed and built in Australia<sup>A</sup> to better suit our harsh environment and extreme climate, our range of heavy duty batteries deliver what drivers and fleet managers really want – longer life, superior reliability, and less down time.

Delivering more than just superior starting power, Century Truck, Bus and Heavy Equipment batteries can sustain constant current loads over extended periods, to run on-board accessories for longer.

## Heavy Duty

Manufactured using some of the toughest internal components and materials available in the battery industry. Century Heavy Duty batteries are designed and built tough to provide superior power and performance in commercial vehicles with high power demands.

- ✓ Exceptional starting power for commercial vehicles with high power demands
- ✓ Thicker plates and denser active material for extra strength and endurance
- ✓ Lower self-discharge and reduced water loss for longer service life
- ✓ Platelock™ technology reduces movement of internal plates for improved vibration resistance<sup>A</sup>
