

Complete Fibre Optic Sliding Enclosure Kits

1RU-S-24MODLCMM4

PRODUCT INFORMATION

The MSS 19" Rack Mount Sliding Enclosures offer the installer a premium product with a variety of features for easy direct termination or fusion splicing of cables due to its unique sliding tray system.

The enclosure is modular in design and each kit includes a splice cassette, pigtails and LC connectors in either Singlemode (OS2) or Multimode (OM4).

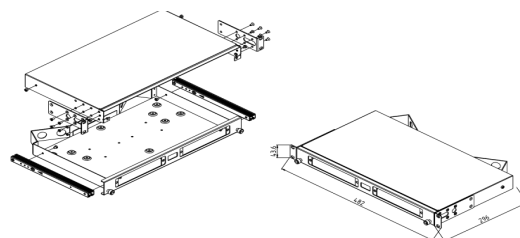

Splice cassettes are easily fitted via pre-installed mountings and the sliding tray allows technicians easy access back into the enclosure after installation for repairs and maintenance.

FEATURES & BENEFITS

- Tough and Durable steel design
- Comes complete with Splice Cassette
