| Presentation | EcoStruxure IT Expert monitors and protects your critical equipment, providing 24/7 visibility through live data, smart alarming, and data-driven insights on the health of your connected assets directly to your smartphone. EcoStruxure IT Expert synthesizes performance and alarming data into proactive recommendations, and enables secure, wherever-you-go visibility and control. |
| Lead time | Usually in Stock |

Main

| | |
|---------------------------|--|
| Range of product | EcoStruxure IT Expert |
| Product or component type | Subscription |
| Software type | DCIM software Management software |
| Number of nodes | 1250 |
| Format | Digital key Cloud hosted |
| Range compatibility | NMC card Vendor neutral |
| Hosting option | Cloud |
| Software function | DCIM monitoring and management Alarming Dashboard overview Inventory NMC firmware update Data driven insights Mass configuration Reporting Remote monitoring Management |
| User language | English French German Spanish Italian Japanese Korean Portuguese Russian Chinese |
| Subscription period | 3 years |
| Subscription type | Paid |

Complementary

| | |
|---------------------|--|
| System requirements | Access to cloud-based SaaS Windows server Linux server |
|---------------------|--|
