

## 3-IN-1 TESTER

A-69400AU

### FEATURES

- > 3-in-1 tester that includes, AC line splitter, socket outlet tester, RCD function test
- > Allows the measurement of up to 10amps without splitting the power cord
- > Correct socket wiring is confirmed by led lighting sequence
- > RCD tripping function can be simulated with on-board test button
- > Can be used to measure voltage with standard multimeter probes
- > Suitable for Australian and New Zealand sockets only
- > For use with Klein Tools clamp meters and other brands

### SPECIFICATIONS

Part No.	A-69400AU
Input Voltage:	220-250VAC $\pm$ 10%; 50-60Hz
Current:	Maximum 10A
Safety Category:	CAT II 300
IP Rating:	IP30
Drop Protection:	2m
Certified to:	EN 61000-3-2, EN61000-3-3, Electromagnetic Environment, EN61326-1, EN61326-2-2
Operating Temperature:	0 – 40°C (32 - 104°F)
