

1<sup>st</sup> December, 2025

Dear Valued Customer,

**RE: CRC Price List April 2026**

We are writing to inform you that, due to continued increases operationally, across local manufacturing, warehousing, and transport/logistical costs (diesel/labour), we will be implementing a market wide increase on our products effective from 1<sup>st</sup> April 2026.

This adjustment is necessary to ensure that we maintain the high standard of quality and service you expect from us.

We want to assure you that we have made every effort to keep the increase as minimal as possible. To support that commitment the average weighted movement across our entire range within this announcement is approximately 3%.

**\*Please Note:** *Our Smartwasher range of machines are excluded from this increase.*

In line with this communication, we also wish to advise of changes around our minimum order value (MOV) that will also take effect from this same date. Our minimum order value will now be \$500 excluding GST. Orders placed under this value will incur a freight charge listed below. Backorders would be exempt from this condition provided the original order placed meets the MOV.

Region	Charge ex GST	Region	Charge ex GST
Sydney Metro	\$ 30.00	Adelaide Metro	\$ 37.50
NSW Regional	\$ 37.50	S.A. Regional	\$ 50.00
Brisbane Metro	\$ 37.50	W.A. South	\$ 60.00
QLD Regional	\$ 50.00	W.A. North	\$ 90.00
Melbourne Metro	\$ 37.50	Tasmania ALL	\$ 60.00
Victoria Regional	\$ 50.00	Northern Territory ALL	\$ 90.00

We continue to work on cost containment initiatives within our local and global organisation to ensure ongoing competitive pricing. To emphasise that desire our last market increase was April 2024. The current pricing has remained unchanged for the past two years.

Thank you for your ongoing support and understanding. Our team remains committed to delivering excellent value and outstanding customer service. Should you have questions relating to any of the above, please do not hesitate in contacting your local CRC representative.

Yours Sincerely,

Martin Davies

Trans-Tasman Sales Director
