

12th March 2026

Schneider Electric Australia
Price Review Notification effective 13th April 2026

Dear Valued Customer,

At Schneider Electric, our aim is to maintain high levels of customer service and customer focus while continuously navigating the changing economic climate and inflationary pressures.

We continue to implement initiatives to offset ongoing cost pressures impacting our business. However, we have recognised the need to apply a price adjustment to some of our products.

We would like to inform you that effective 13th April 2026 we will be increasing prices across all Clipsal products by 5.5%, excluding the following ranges:

- Solis
- C2000 Value Packs
- 56 Series
- C-Bus
- Lighting

For all Schneider Electric branded products a weighted average of 5.5% will be applied.

Your new price file will be sent to you by your Schneider Electric Commercial Manager and be reflected in your mySE online account from April 13 2026.

Should you have any queries, please contact your Sales/Commercial Representative or our Customer Service Centre on 13 73 28.

We thank you for your continued support and ask that you communicate this notification as appropriate.

Yours Sincerely,

Colette Munro
Zone President
