

23rd March 2026,

**Legrand Australia Price Adjustment Notification
Effective 1st May 2026**

Dear Valued Customer,

We would like to inform you that, effective 1 May 2026, Legrand Australia will be implementing a price adjustment across our product range.

This decision has been made in response to ongoing inflationary pressures impacting our business, including increases in manufacturing, freight, labour and raw material costs. While we have worked hard to absorb these rising expenses where possible, the sustained nature of these cost increases necessitates this adjustment.

Legrand Australia remains committed to delivering high-quality products and reliable service, and we will continue to invest in innovation and support for our customers.

An updated price file will be supplied before the end of March to support you in implementing these changes within your business.

Thank you for your continued support and understanding as we implement this price adjustment.

Yours Sincerely,

A handwritten signature in dark ink, appearing to read 'Tosh Bourke', with a long horizontal flourish extending to the right.

Tosh Bourke
